

BRENT CLIMATE CHANGE PLEDGE

It's easy
to make a
difference

BRENT CLIMATE CHANGE PLEDGE

I RECOGNISE THAT...

- ⚡ Climate change is real and happening now.
- ⚡ Climate change will have far-reaching effects on our economy, society, health and environment.
- ⚡ Climate change is everyone's responsibility.
- ⚡ I have a part to play in reducing the overall impact on the environment.

I WANT TO HELP...

- ⚡ Reduce emissions of greenhouse gases (which cause climate change).
- ⚡ Cope with extreme weather.
- ⚡ Adapt to the impacts of future climate change.

Check your carbon footprint by visiting: carboncalculator.direct.gov.uk/carboncalc/html before and after your pledge to see the difference.
