GIVE NOTICE of a new gift or hospitality:

Date of Gift*	Description	Value**	Who the gift is from	Additional Information – exceptional items***	For personal use or donated/an equivalent financial sum donated to the Mayors Charity (or otherwise - specify recipient)

*You must give notice of any amendment to your registerable interests or of any new gift or hospitality within 28 days of the change in your interest or date on which the gift/hospitality was received.

**In deciding the value of gifts and hospitality it is what, for example, a member of the public would have had to pay to attend an event that matters (i.e. the official purchase price) and not the fact that a courtesy/corporate ticket has a nil face value.

*** You must complete this section when registering any gift which exceeds a value of £500 or which is for some other reason exceptional. Please explain why it is appropriate and in the council's interest that you accept the gift or hospitality and state whether you intend to make personal use of it or will be donating it to charity.
