Available Parties

Football Frenzy (Max 15 children)

The first choice for all football fanatics aged 5 to 11, our great football party will be one to remember! Our party host will divide the children into teams (if the birthday child hasn't already!) and will referee the matches as they play a mini football tournament.

Ultimate Bounce (Max 15 children)

Ultimate Bounce is great for 3 to 10 year olds who enjoy an hour of fun, packed with games, activities and an inflatable included. The party host will organise a series of playground games for the children to alternate with some fun on the inflatable.

Basketball Bonanza Mega Party (Max 15 children)

Like basketball? Then this party is perfect for 6 to 13 years old who like to shoot hoops. Gather your child's favourite players to dribble, dunk and defend at their next birthday party. Smaller basketball hoops used depending on height and age. Space hoppers and life size connect.

Star Steppers Dance Party (Max 15 children)

For those children who love to dance and can't keep still - This party allows the children to learn a choreographed dance routine from a selection of our latest RnB/HipHop chart tunes. Song selection will need to be chosen prior to the party. This is a fun party for all to show off their moves.

Arts & Crafts Party (Max 10 children)

For children aged 6 to 12 years old - Making and decorating allows children to be creative while still socializing with their friends. Opt for Face Mask Making, Bag Decorating or a Bedroom Mobile. If your child's creative they'll love an Arts & Crafts party with everyone taking something home!
