

Why foster with Brent?

At Brent we are passionate about supporting our foster carers and believe there are some great reasons why you should foster with Brent:

- 24/7 social worker support
- Foster Carers' support group
- Membership with Fostering Network
- Start up equipment for a child in your home
- Learning, development and training opportunities to enhance your skills as an individual, and as a foster carer.
- Free sports activities at our three local leisure centres
- Free swim sessions for the whole family
- Great range of social events for foster carers and Looked after Children
- Fortnightly e-newsletter to keep you updated with news and offers from the service
- Fostering local children and young people so they benefit from staying in their local community rather than moving out of the borough to stay with external foster carers.

Our fantastic training and support package has been designed to make sure you have all the right tools to help children and young people in care to grow and flourish as individuals.
