The contractor is responsible for checking dimensions, tolerances and references. Any discrepancy to be verified with the Architect before proceeding with the works.

Where an item is covered by drawings to different scales, the larger scale drawing is to be worked to. For Planning Assessment, use the scale drawing with the scale bar. For construction, ordering and manufacture, information work only to figure dimensions.

CDM REGULATIONS 2015. All current drawings and specifications for the project must be read in conjunction with the Designer’s Hazard and Environment Assessment Record. All intellectual property rights reserved.
