

PEST CONTROL FOR FOOD BUSINESSES

Any type of pest within your premises could lose you valuable income, cause damage to stock and equipment and have a detrimental effect on your staff, your professional reputation and business.

We employ four qualified pest control officers. We pride ourselves on our prompt, efficient and discreet service as well as our competitive prices.

We offer tailor-made pest control packages dependent on the size of your premises, the nature of your business and the level of infestation. These can range from eight visits over the year to 14 visits.

WHICHEVER CONTRACT YOU HAVE YOU WILL BE GUARANTEED

- Site visits by our professionally qualified pest controllers
- Expert advice and assistance from fully qualified environmental health officers
- Internal and external inspections, plus treatment for rats, mice and crawling insects
- All baits/insecticides and bait stations including in the price so there are no hidden costs
- Additional visits to quickly deal with initial infestations or tackle subsequent problematic pest activity at no additional cost
- Written reports and recommendations after each visit
- COSHH/risk assessments and safety data sheets
- A direct contact telephone number and point of contact
- A competitive price

PRICES

Our prices start from as little £275.00 for an annual contract, however this is dependent on the size of your business, the nature of your business and the level of infestation found.

We can also offer payment plans to help you spread the cost throughout the duration of the contract.

At Brent we understand how important it is to build a relationship with your customers so you will be provided with a direct contact number as well as a dedicated pest control officer should you wish to purchase one of our packages.

WHY BOTHER?

Pests have the potential to contaminate the workplace, spread disease, damage products, foodstuffs and property, and even ruin your reputation leading to loss of business and even prosecution. So if you have a pest problem, then it is essential you put the right provisions in place to protect you and your customers. Whatever the size of your business, pest control is vitally important – don't over look any pest control issues, no matter how small – pests breed at an alarming rate.

WHAT NEXT?

Book in your free survey where we will inspect your premises and talk with you about any pest control issues you may have.

With our close working relationships with our colleagues in the Food Team and Waste Team, we can provide you with advice on any food hygiene or trade waste issues you may have.

If you have already had your free survey, we will send you a quote within 24 hours.
