

In addition to the worksheets on our website <https://www.brent.gov.uk/services-for-residents/brent-museum-and-archives/schools-programme/museum-worksheets/> such as our Saxon worksheet, you may wish to download and print additional worksheets for your students to use while they are in Brent Museum.

This is especially useful if you are bringing two classes and staying for lunch as in this situation their visit to the Museum is likely to be 60-75 minutes long (to allow time for the other class to have their workshop and for the Education Room to be cleared ready for lunch).
