

# BRENT FUNERAL SERVICE

Losing a loved one is extremely difficult and the rising costs associated with funerals can make this challenging time even more stressful.

Brent Council Funeral Service offers a low-cost funeral option with the comfort of knowing that care and quality isn't compromised.

# BRENT FUNERAL SERVICE

**CREMATION  
£1,500**

## WHAT IS INCLUDED IN THE BRENT FUNERAL SERVICE?

These are the things that we will do for you as part of our service:

- We will remove your loved one from their place of death into our care
- Your loved one will rest in our secure mortuary facility where you will be able to visit during normal working hours at no additional cost
- We will transport your loved one from the mortuary to the crematorium or cemetery at the appointed time of the service
- A Funeral Advisor will be there at the funeral to support and guide you through the funeral service

## WHAT WILL THE FUNERAL SERVICE COST?

We offer a flat fee for cremations of £1,500 at local crematorium (including third-party costs). This includes a standard coffin and small floral tribute.

If you would prefer a burial, we offer a fixed fee of £1,200 to transport your loved one to the cemetery. We will discuss the costs of plots with yourself and the cemetery team separately.

## WHAT ADDITIONAL SERVICES CAN I CHOOSE?

We understand that while you may want to keep your funeral simple and low-cost, there may be some additional

services you would like, to follow traditions or beliefs.

Our staff will be happy to talk through your needs and help you decide on the options that best suit you – we will then be able to confirm any additional costs that may be incurred.

The following services are available to you at an additional cost:

- Coffin upgrades, including eco and more sustainable options
- Specialist minister or faith services
- Customised floral arrangements through our partners
- Repatriation service

## WHAT ISN'T INCLUDED IN THE FUNERAL SERVICE?

All prices are for services within 20 miles of Brent – there may be an additional cost for use of this service outside of the 20 mile radius.

No additional transport for mourners is included within the price at present.

## GOVERNMENT SUPPORT FOR FUNERAL COSTS

Arranging a loved one's funeral is difficult enough without having to worry about the cost. If you are struggling to pay for the cost of a funeral, you may be eligible for further assistance. A funeral advisor will guide you through the process.
