The information above is a summary of the admissions criteria for this school. For the full criteria and admission arrangements please check the school's website or go to www.brent.gov.uk/services-for-residents/education-and-schools/information-about-admissions/admissions-criteria. The criteria will apply after children with an Education, Health and Care plan which names the school have been admitted. All schools operate a tie breaker in the event that two or more children have equal priority under the criteria.

Before you make your application

1. Are your preferences realistic? Consider how likely it is that your child will be offered a place at your preferred schools. Read the admissions criteria for each school and look to see which criteria apply to your child. The admissions criteria for Brent schools are listed on pages 17 to 31.

2. Do you live close enough to get a place? Find out your home to school distance. Compare with cut-off distances from last year. Find the distance to your preferred schools using the Direct Gov schools finder (www.gov.uk/school-performance-tables). The distance of the last child offered a place at Brent schools from last year is on page 16. Remember that although this information can be used to give you an idea of how likely it is that you will be offered a place, the ‘last distance’ will change every year. We can never guarantee any child will be offered a place at any school.

3. Visit schools Open event details for Brent schools are available on page 6.

4. Read Ofsted reports You can view reports at www.ofsted.gov.uk Brent has many ‘Good’ and ‘Outstanding’ schools.

5. How will your child travel to school? A long journey to school on public transport may not be the best choice for a child.

6. Talk to your child and other parents Remember that the right school for your friend’s child may not be the right school for your child. Don’t judge a school based on what others say – visit the school and see for yourself.
### Myth busters – get the facts!

It is easy to make assumptions about how school admissions works. Here are some of the common myths and misunderstandings, as well as the facts.

<table>
<thead>
<tr>
<th>Myth</th>
<th>The facts</th>
</tr>
</thead>
<tbody>
<tr>
<td>My child has a right to a place at one of my preferred schools.</td>
<td>The local authority must offer your child a place at the highest preference school they qualify for. If your child does not qualify for any of your preferred schools (e.g. because your preferences were unrealistic), they will normally be allocated a place at the nearest school to your home with a vacancy.</td>
</tr>
<tr>
<td>I have an older child already at the school so I do not need to apply.</td>
<td>Everyone must apply for their child even if they have a brother or sister already at the school. Most schools give priority to siblings, but if you don’t apply you could miss out on a place.</td>
</tr>
<tr>
<td>Listing one school will mean that you will have to offer me that school.</td>
<td>Listing only one school does not increase your child’s chances of being offered a place. If your child does not qualify for that school, then they will normally be allocated a place at the nearest school to your home with a vacancy.</td>
</tr>
<tr>
<td>Listing the same school six times will improve my chances of being offered a place.</td>
<td>Your child can only be considered once for a school and any duplicated preferences will be deleted.</td>
</tr>
<tr>
<td>I live nearer to the school than the last child offered under the distance criterion last year so I’m guaranteed a place.</td>
<td>Although the information listed on page 16 can give you an idea of how likely it is that you will be offered a place at your preferred school, the ‘last distance’ will change every year. We cannot guarantee any child will be offered a place at any school.</td>
</tr>
<tr>
<td>Children in my road go to the school so my child will too.</td>
<td>The number of pupils offered under each criterion at each school can change every year, so just because you know pupils living near you go to a certain school, it does not mean that your child will be offered a place there.</td>
</tr>
<tr>
<td>If I apply to a school in another borough, their residents will have priority over me.</td>
<td>An admissions authority cannot give preference to its own residents and published admissions criteria cannot include the borough of residence. Brent does not discriminate between applicants who live in the borough and those who do not.</td>
</tr>
<tr>
<td>It does not matter if my form is late.</td>
<td>If you apply after 31 October 2020, we will look at your application after all those who applied on time and it is very unlikely that you will be offered one of your preferred schools.</td>
</tr>
<tr>
<td>I can only apply for Brent schools.</td>
<td>You can apply for both Brent and out of borough schools by listing them on the Brent application form.</td>
</tr>

*SIF = supplementary information form
Section 1 – Apply

Apply for your child’s school place online
eadmissions.org.uk

Applying online for a school place is quick and easy. Follow the steps below and you are ready to start your child’s online application.

- Each screen will explain what you need to do; there are guidance notes on the left hand side of the screen to help you.

- You can select any text that is underlined (usually a question/section of the form that needs to be completed) and this will open in a new window with an explanation of what is required.

**Step 1: Getting started**

- Before you start your online application, you will need to do some research.

- See the authority’s website for details about how applications are processed.

- Visit schools.

- Check school websites.

- Read the admissions criteria for the schools you are interested in.

- Check how places were offered in previous years.

- You should check transport policies for local authorities (outside London).

**Step 2: What to do if this is the first time you are applying online using eAdmissions**

- If you have used the eAdmissions system before to apply for a school place for any of your children you do not need to register again. Instead please go to Step 3.

- If this is the first time you are using the eAdmissions website you must register to apply online.

- You will need an email address to register.

- If you already have an email address you should set your spam/junk mail filter to ‘Standard’ so that emails from eAdmissions go straight to your inbox. You should check your spam/junk email folder now and then to make sure that messages from the eAdmissions website are not sent there by mistake.

- You can also sign up to get notifications during the admissions process either by text message or by downloading the ‘Parent Comms’ mobile App.

- It is important that you register well before the deadline, in case there are any problems making your application. The closing date is:

  **31 October for Secondary and 14/19 (Studio Schools and UTCs) applications**

  - Register yourself on the eAdmissions website.

  - You will then be asked to create your own password.

  - We will send you an email with your username and instructions on how to validate your email address.

  - The email will also contain a link which will take you to the eAdmissions login page to start your application.

  - Please keep your username and password safe as you will need them to login and apply for any other children you have, and to see the outcome of your application on 1 March 2021.

**Step 3: What to do if you have applied before using eAdmissions or you have just registered and received your user name**

- On the home page select ‘Return to an existing account’ and enter your username and password.

- If you have forgotten your username or password we can re-send them to you when you select the ‘Forgotten your user name or password?’ link.

- We will send you an email to the email address you used when you first registered (please check your spam/junk folder as it may have gone there).
Once you login the page with your personal details is displayed. **You must check if any of your details have changed and update them straight away.** If your details are correct tick the mandatory box to confirm that your details are correct.

You will need to read and agree the Privacy Policy by ticking the box.

Then select the ‘Save and continue’ button to move on to the application process.

**Step 4: Adding your child’s details**

The next page is your home page called ‘My school admissions’. If you can see your child’s name on your ‘My school admissions’ page, select the ‘Start new application’ button below the child’s name. This button will only be available for children whose date of birth falls within a relevant age range. Check existing details and select the ‘Next’ button.

If your child’s name is not listed, select the ‘Start a new application for a child that is not listed below’ button. Enter the details requested about the child you are making the application for on the ‘Child details’ page and select the ‘Next’ button.

Please remember

- Council tax account number: Brent Council ask you to provide this information for the address where your child lives.

- Child’s current school: Please select the school from the drop down list. Only type the name of the school in the box if your child is at a nursery school or you cannot see the current school name listed.

- Twins or triplets: If you have twins or triplets you must make an application for each child and tick the multiple birth box.

**Step 5: Adding school preferences**

Add your preferences in the order you prefer them. You can select up to six schools.

Make sure you include the details of any brothers or sisters who will be attending one of the schools or linked schools you have applied for. If you do not tell us, you may lose out on the sibling criterion.

Please be aware that not all schools have a medical or social criteria, please check before selecting your schools.

If the schools you have selected allow medical or social criteria and you would like your child to be considered under this criteria you must tick the relevant box and attach supporting evidence. You can attach documents once you have submitted your application. **If you do not provide the evidence to support your application, your request cannot be considered under that criterion.**

Some schools ask you to fill in extra forms called supplementary information forms (SIF). If you do not fill in these forms and/or send them direct to the relevant school, you risk your chance of getting a place at these schools.

It is your responsibility to check that your online application is fully completed and that you have entered all details correctly. If you do not tick certain boxes or enter relevant information (for example the sibling box) your application will not be considered under that criterion.

Each time you fill in the information on a page, make sure that you select ‘Next’ button or the information will not be registered.

**Step 6: Submitting your application**

You can make changes to your online application up until the closing date. Each time you make a change you must resubmit your application.

Select the ‘Submit application’ button on the last page.

After you have submitted your application you will receive an email confirming details of your online application. The email will list an application reference number similar to this: 304-2020-09-E-123456.

If you do not receive a number it means your application was not submitted successfully and you must login and select the ‘Submit application’ button again.

If you have made changes to your details or your child’s details, you will have to resubmit your application. Check the ‘My school admissions’ page and select resubmit application for your most recent changes to be recorded.
Step 7: Attaching documents

Many local authorities need you to send them information to support your application. You can find out what each local authority needs by reading their information booklet about applying for school places. Select ‘Local Authority details’ button on the left hand side bar. Documents you may need to attach:

- Confirmation of, your child’s address and their date of birth.
- Information to support your application such as doctors letters if you have applied under the medical criterion.
- Information to confirm your child was looked after or previously looked after.
- Information to confirm that you are a crown servant.

Important information

If you have ticked any of the categories above and do not provide evidence to show this, the local authority is unlikely to take account of this when making allocations.

What happens next?

- If you submitted your application by the closing date, you will be sent the outcome of your application during the evening of the published national offer day.
- You should respond within 14 days. To accept or decline your offer you should log back in to your eAdmissions account and select the ‘View outcome of application and respond’ button.

Receipt details

Keep a record of your application reference number as you may need to refer to this at a later date.
Your child’s address

- The address used must be the child’s permanent home address on 31 October 2020.
- Do not list an address of a relative or someone who provides temporary care for your child, a business address, a childminder’s address or any address other than the child’s permanent home address.
- If the family own a property but are living at and apply from a different address, the council will assume that the second address is temporary and that the property that you own is where the child ordinarily lives.

Proof of address

- We do not require proof of address to be sent in with your application.
- Please supply your council tax reference number on the application (e.g. from your bill). If you don’t pay council tax directly, please leave this question blank.
- Brent Council will check internal council databases in order to verify your address.
- Where it is not possible to verify your address or you have recently moved, we will write to you asking for two proofs of address.

Children living at two addresses

- An application can only be processed from one address.
- The application should include the address the child normally lives at for the majority of the school week.
- If a child resides equally between two addresses, it is the parents’ responsibility to agree between themselves which address will be used. One application should be submitted using the address agreed by both parents.

Change of address

- We can only accept changes of address after you have moved. We will not process your application from an intended future address.
- If you move address prior to the closing date (31 October 2020) you should update your address online and resubmit your application. If the closing date has passed, you must tell the council straight away by emailing school.admissions@brent.gov.uk.
- You must supply evidence of your change of address.
- Evidence must be received on or before 11 December 2020 in order for your new address to be used when processing your application and calculating home to school distances.
- If we receive evidence of your change of address after 11 December 2020, we will not be able to update your home to school distances until after 1 March 2021 (national offer day).

Fraudulent applications

- Brent Council takes any attempt to obtain a school place through fraudulent means very seriously.
- We will verify addresses to ensure that places are allocated appropriately and fairly.
- Any address proof or supporting documentation which is false or deliberately misleading may lead to offers being withdrawn.
- Stringent checks will be carried out to ensure applications are not fraudulent.
- Home visits may be carried out to verify addresses.

Children with special needs

- If your child has an Education, Health and Care Plan (EHCP), please do not complete an application.
- You should contact Brent Special Educational Needs Assessment Service (SENAS) on 020 8937 3229 or sen.assessments@brent.gov.uk who will manage your child’s transition to secondary school.

Exceptional social/medical circumstances

- Some schools give higher priority to children with social or medical needs, even if they do not have an Education, Health and Care Plan (EHCP).
- If you state a preference for a particular school because of the medical, social or special educational needs of your child you must demonstrate how only this school meets your child’s special circumstances.
- To be considered on this basis you must submit independent, professional evidence which sets out the particular reasons why the school is the most suitable and the difficulties that could be caused if your child has to attend another school.
- Your evidence should be submitted directly to the school and attached to your online application. It will normally be in the form of a report from a suitably qualified, independent professional like a doctor.
- Evidence should be submitted by 31 October 2020 (the closing date for on time applications). Evidence submitted after this date may not be considered until the second or subsequent round of offers.
See individual schools’ oversubscription criteria for further information (pages 17 to 31).

**Looked after and previously looked after children**
- If you are completing the application for a looked after child or a child who was previously looked after, please indicate this on the application.
- Previously looked after children are children who were looked after but ceased to be so because they were adopted or became subject to a child arrangements or special guardianship order.
- Applicants must name the council who looks after the child and provide a letter from the social worker confirming that the child is in care.
- If the child was adopted immediately after being in care, please provide a copy of the child arrangements order, special guardianship order or proof of adoption from your child’s home authority.

**All-Through schools**
- Ark Academy and Preston Manor are “All-Through” schools which educate children aged between four and 18. Primary school students in Year 6 continue directly into the secondary school, with a guaranteed place in Year 7.
- Ark Academy admits 180 students to Year 7 in 2021 of whom 60 may be students progressing from Year 6 within the school. Similarly Preston Manor School admits 252 students to Year 7 in 2021 of whom 60 may be students progressing from Year 6 within the school.
- If you currently attend Year 6 at Ark Academy or Preston Manor School:
  - If you want to stay at Ark Academy/Preston Manor School for Year 7 and you are not interested in any other schools you will be offered a place automatically. You do not need to apply.
  - If you wish to change school for Year 7 you must apply. List the schools you want more than Ark Academy/Preston Manor School in the order you prefer them. The first preference is the school you want the most.
  - You will not be considered for any schools you list as a lower preference than Ark Academy/Preston Manor School.

**Supplementary Information Forms (SIFs)**
- Some schools require an additional or Supplementary Information Form (SIF) to be completed in addition to the normal application.
- Use the information on pages 17 to 31 find out which Brent schools require a SIF.
- Completed SIFs should be submitted direct to the school prior to the closing date, 31 October 2020.
- SIFs can be obtained directly from school or downloaded from the school or Brent Council’s website.
- Failure to complete a SIF may result in your application to that particular school being given a lower priority.

**Twins and multiple births**
- Parents with multiple birth children must complete a separate application form for each child.
- Most schools have admission arrangements that ensure multiple birth children will be offered places together, even if this means the school will admit more than their published admission number.
- The full admission arrangements for each school are available on the school or Brent Council’s website.

**Children educated outside their normal age group**
- In rare cases a child may currently be educated a year group below or above their chronological year group.
- If this applies to your child you should submit a letter with your application from your child’s current head teacher explaining why they are being educated outside their chronological age group.
- Each Brent secondary school you list will receive a copy of the letter and the head teacher or chair of governors will decide whether your child can be admitted outside their chronological age group.
- Email school.admissions@brent.gov.uk for further information.

**Late applications**
- Applications received after 31 October 2020 will be classed as late.
- If there are exceptional circumstances why your application was received after the deadline, please provide independent written evidence by 11 December 2020 (from someone who is impartial) explaining why the application was late.
- The evidence you provide will be considered by Brent school admissions who will decide if your application will be processed as late or on time.
- Late applications will only be considered after all the other applications that were received on time have been offered a place. For this reason late applicants are very unlikely to be offered one of their preferred schools.
Changing preferences

- If you wish to change your preferences before the closing date (31 October 2020) you should login to the online application system, edit and resubmit your application.
- If you wish to change your preferences after 31 October 2020 use the online form at [www.brent.gov.uk/changeapplicationdetails](http://www.brent.gov.uk/changeapplicationdetails)
  Changes of preference cannot be accepted over the telephone.
- Regardless of the circumstances, changes requested after the closing date can only be included for the second and subsequent rounds of offers after national offer day, 1 March 2021 (see page 14).

In-Year Admissions

An in-year application is any application for a school place made outside the normal admissions rounds (reception and year 7 and, where applicable, year 3 and year 10).

The normal admissions rounds are for entry into school in September; whereas, the in-year applications are for parents who either wish for their child to change schools, or who have moved to the area and need their child to start a new school during the academic year.

Parents wishing to apply for an in-year transfer to a Brent school can apply by completing the in-year application form available at [www.brent.gov.uk/admissions](http://www.brent.gov.uk/admissions), which also has full details about the application process. Some schools accept their own applications directly and information about where to submit your application is provided in the guidance notes available online or on request.

Brent residents wishing to apply for an in-year transfer to a school that is not in the borough need to apply to the relevant local authority or school directly. We would suggest that parents contact the local authority first to find out about the individual admission arrangements in their area.

Where a school is full, its published admission criteria will be used to decide the order in which applicants will be added to the waiting list (if applicable). Where a school has vacancies, a place will be offered for the child.

In-year fair access protocol

The School Admissions Code requires that all local authorities must have an in-year fair access (IYFA) protocol. This is to ensure that children without a school place – especially the most vulnerable – are offered a place at a suitable school as quickly as possible. The operation of the Brent IYFA protocol is triggered when a parent of an eligible child has not secured a place under in-year admission arrangements.

Children of UK Service Personnel

For families of UK service personnel with a confirmed posting to the area (or crown servants returning from overseas) admissions can be allocated in advance of arriving in Brent.

This is to ensure that children of UK service personnel are not disadvantaged when applying for schools as a result of their mobility. These rules were introduced as a contribution to the Government’s commitment to the Military Covenant; however, they do not give automatic priority to service children over other children.

If you are moving to the borough of Brent as a result of a posting, please complete a common application form by the closing date, using your posting address. The application must be accompanied by an official letter that declares a relocation date, a unit postal address or quartering area address.

Your application will be processed using your posting address and in accordance with each individual school’s criteria.

Sixth form admissions (Year 12-13)

Each secondary school in Brent has a sixth form provision for children in Years 12 and 13. Admissions to the sixth form are not co-ordinated by the local authority. If you have a child eligible to apply for post-16 education or you would like information about open evenings and admissions procedures, please contact each school directly. Contact details for secondary schools can be found on pages 17 to 31.

14-19 applications

Children currently in Year 9 can apply to attend Studio Schools and University Technical Colleges which offer education for children aged 14-19 years old. Further information about the establishments within a reasonable travelling distance from Brent can be found on page 33.
Section 2 – Offers

How we process your application

Brent school admissions work closely with schools and other local authorities so that every child is offered a place at the highest preference school for which they qualify. The process involves the following stages:

1. Exchange information
Applications are processed and addresses checked, and applicant’s details are sent to schools. The schools do not know the order of your preferences.

Additional information?
Supporting documentation for your application should be sent to the schools directly as well as to the Brent school admissions team via the online application system. Some schools require applicants to return a SIF (Supplementary Information Form) directly to the school. Check your preferred schools, pages 17 to 31.

2. Rank applications
Schools rank applications according to their published oversubscription criteria to determine which children have priority for places. Brent schools decide whether your child qualifies for a place, not the council.

Which criteria relate to your child?
Check the oversubscription criteria for your preferred schools, pages 17 to 31.

3. Offer places
Every school has a maximum number of children that can be admitted. The ranked lists for each school are used to determine the highest preference each child can be offered. Where an applicant qualifies for more than one school, the order of preferences determines which school is offered.

What if the offer isn’t any of my preferred schools?
The council will offer every Brent child a place. When applicants do not qualify for a place at any of their preferred schools, a place is offered at the nearest school to your home with an available place.

Offers

- National offer day is Monday 1 March 2021.
- Offer emails are sent in the evening on 1 March 2021.
- The online application system is updated with offers and applicants can respond from the evening of 1 March 2021.
- Offer letters are posted first class on Monday 1 March 2021 and should arrive by Wednesday 3 March. If you have not had an offer letter in the post by Friday 5 March 2020, contact Brent school admissions.
- Online applicants offered their first preference school are not sent an offer letter.

Responding to offers (accepting/rejecting)

- Please respond to your offer by 15 March 2021.
- Online applicants must respond to the offer online by logging into the online application system (www.eadmissions.org.uk) using their email address or username and their password.
- We strongly advise applicants to accept the place offered. Accepting the offer secures the school for your child, so you have a back-up, in case you’re unsuccessful in seeking a higher preference in the second or third rounds or if you appeal, and your appeal is not upheld.

- Accepting the place does not affect your waiting list position or right to appeals.
- If you do not accept the offer, the place may be offered to another applicant, and subsequent offers may be further away from your home.

Further Offers

- After national offer day (1 March 2021) Brent school admissions continue to process applications and make offers on behalf of schools until the end of August 2021. Schools do not offer places directly.
- Two additional rounds of offers will be sent out according to the timetable below.

- All late applicants will be offered a place in the second and third round.
- Unsuccessful applicants will not receive notification in the second or third round, only successful applicants will be sent a letter.
- After the third round, places will be offered as and when they become available.

**Waiting lists**

- If we cannot offer your first preference on national offer day (1 March 2021), then your child will be automatically added to the waiting list for each school you ranked as a higher preference than the school offered.
- Any vacancies available in the second and third round will be offered to applicants on the waiting list.
- Priority on the waiting list is determined by the oversubscription criteria for each school. There is no guarantee that a place will be offered for your child off the waiting list.
- When an applicant on a waiting list is offered a place, any previous offer will be automatically withdrawn. You will not be given a choice between your current offer and the new offer. If you are happy with your current offer then you must advise Brent school admissions to remove your child from the waiting list.
- Your child’s position on the waiting list can go up as well as down when other applicants are offered a place or join the list.
- Waiting lists are not operated on a first come, first served basis. The length of time your child is on the waiting list will not give them priority over other applicants.
- Please note: Waiting lists for Brent schools will be maintained until at least the end of December 2021. Some schools may have different arrangements for maintaining waiting lists after this period. To ensure that your child remains on the waiting list and in consideration after the end of the year you must make a separate 2021/22 In-Year application online. In-Year applications for 2021/22 will open on Monday 5 July 2021, visit www.brent.gov.uk/inyearadmissions. The local authority will not contact you again to remind you to re-apply.

**Appeals**

- If your child is not offered a place at one of the schools you listed on your form, you can appeal against this decision to an independent appeal panel.
- Appeals are heard by an independent appeal panel of three members of the public who are independent of the school and the local authority.
- Brent secondary schools manage their appeals directly, Brent Council is not involved.
- You must approach each school directly if you wish to appeal for a place.
- Your offer letter will give information about how to appeal.
- The deadline for submitting an appeal is set by each school and must be at least 20 school days after National Offer Day (Monday 1 March 2021).
- Appeals must be heard within 40 school days of the deadline for lodging appeals.

Oversubscription Criteria:
Where applicants exceed the number of places available the following criteria will be applied in the order set out below to decide which children to admit.

1. Where the child is or has previous been “looked after” (Young People in Public Care). An application for admission to school must be made by the person with parental responsibility and / or the child’s social worker.

2. Brothers or sisters of a child who attends the school and who will continue to do so on the date of admission. This includes half and step brothers and sisters and foster children so long as they live at the same address – but not cousins. Pupils transferring to the sixth form or students currently on roll at the sixth form are not considered as sibling connections.

3. Children attending one of following feeder primary schools at the time of application: Lyon Park, Barham, Vicar’s Green and Oakington Manor.

4. Proximity to the school at the time of application. Priority will be given to those living nearer the school. The distance will be measured in a straight line from the pupil’s permanent address to the school gate on Ealing Road.

Tie Breaker
Within each criterion priority will be given to the applicant who lives closer to the school. This will be measured in a straight line from the pupil’s permanent address to the school gate on Ealing Road.

Ark Academy will admit up to 180 students to Year 7 in 2021 of whom 60 may be students progressing from Year 6 within the school. See page 12 for further information about All-Through schools.

Oversubscription Criteria:
If the number of applications received for any phase or year group is greater than the number of spaces available, places will be allocated according to the oversubscription criteria and order below.

1. ‘Looked After Children’ and children who have previously been a ‘Looked After Child’ but immediately following this became subject to adoption, a child arrangements order or special guardianship order.

2. Children of staff at the school who occupy, or have been recruited to, a post where there is a demonstrable skill shortage. Ark Schools must approve the Principal’s assessment process and designation of such posts to confirm the staff members’ eligibility under this criterion. Priority will be limited to one place for each form of entry in any year (e.g. 3 places in each 3-form year group).

3. In respect of the Primary phase only; children who, at the time of admission, have a sibling* who attends the school in the Primary phase (Reception to Year 6).

4. In respect of the Secondary phase only; children who, at the time of admission, have a sibling* who attends the school in Reception to Year 13.

*For this purpose, “sibling” means a whole, half or step-sibling or an adopted child resident at the same address.

5. Children of staff in the school who have been employed at the school for two or more years at the time the application is submitted. Ark Schools must approve the Principal’s decision to allocate places to staff under this criterion. Priority will be limited to one place for each form of entry in any year (e.g. 3 places in each 3-form year group).

6. Distance measurement – Priority will be given to those children who live closest to the school.

Tie breaker
If Ark Schools is unable to distinguish between applicants using the published oversubscription criteria, places will be offered via a random draw which will be supervised by someone independent of the school.

The information above is a summary of the admissions criteria for this school. For the full criteria and admission arrangements please check the school’s website or go to www.brent.gov.uk/services-for-residents/education-and-schools/information-about-admissions/admissions-criteria. The criteria will apply after children with an Education, Health and Care plan which names the school have been admitted. All schools operate a tie breaker in the event that two or more children have equal priority under the criteria.

Ark Schools must approve the Principal’s assessment process and designation of such posts to confirm the staff members’ eligibility under this criterion. 3. Children who, at the time of admission, have a sibling who attends the school. For this purpose, “sibling” means a whole, half or step-sibling or an adopted child resident at the same address.

Tie breaker
If Ark Schools is unable to distinguish between applicants using the published oversubscription criteria, places will be offered via a random draw which will be supervised by someone independent of the school.
Oversubscription Criteria:

In the event that the school receives more applications than the number of places it has available, places will be given to those children who meet any of the criteria set out below, in order until all places are filled.

1. Highest priority will be given to Looked After Children and all previously Looked After Children who apply for a place at the school.

2. Priority will next be given to children on the basis of aptitude in the specialisms of sport (performance and/or leadership) and Visual and Performing Arts using specified tests.

3. Priority will next be given to children on the basis of social or medical need. The school defines social and medical need as children for whom it can be demonstrated that they have a particular medical or social need to go to the school. The school requires supporting evidence if you are making an application on the basis of social or medical needs.

4. Priority will next be given to children with siblings at the school. Siblings include step siblings, foster siblings, adopted siblings and other children living permanently at the same address. Priority will not be given to children with siblings who are former pupils of the school.

5. Priority will next be given to children attending one of our partnership primary schools:
   - Brentfield Primary School
   - Donnington Primary School
   - Furness Primary School
   - Harlesden Primary School
   - Newfield Primary School

6. Priority will be given to children on the basis of distance, which will be measured in a straight line from the front door of the child's home address (including flats) to the main entrance of the school, using the local authority's computerised measuring system, with those living closer to the school receiving the higher priority.

Tie breaker

In the case of two or more applications that cannot be separated by the oversubscription criteria outlined above, the school will use the distance between the school and a child's home as a tie breaker to decide between applicants. Priority will be given to children who live closest to the school. Distance will be measured in a straight line from the child's home address to the school's front gates on Doyle Gardens. A child's home address will be considered to be where he/she is resident for the majority of nights in a normal school week.

Where the distance between two children's homes and the school is the same, random allocation will be used to decide between them. This process will be independently verified.

### Oversubscription Criteria:

1. **Looked after children or children in public care including children who were in care but have since been adopted or become subject to a residence order or special guardianship order.**

2. **Children for whom it is essential to be admitted to Claremont High School Academy because of special circumstances to do with significant medical needs, social needs or special educational needs.** The recommendation must be received in writing from a consultant at an NHS hospital or equivalent. This criterion relates to the child’s medical, social and special needs and does not include any other member of the child’s family. The supporting evidence should set out the particular reasons Claremont High School Academy is the most suitable school and difficulties that would be caused if the child had to attend another school.

3. **Those who have a brother(s) and/or sister(s) (including half or stepbrother(s) and sister(s) if residing at the same address) attending Claremont at the time of application and on the date of admission.** This excludes a brother(s) or a sister(s) of those students who join the academy in Year 12 or Year 13.

4. **Children of members of staff who have been employed at the school for a minimum of two years at the time the application is made and/or recruited to fill a vacant post for which there is an evident skill shortage.**

5. **Those children attending one of the four Academy feeder primary schools; Byron Court, Mount Stewart, Preston Park and Uxendon Manor.**

6. **Up to ten per cent of children will be admitted on the basis of aptitude in music.** Each child applying under this criterion will be invited to attend a written musical aptitude assessment at the school.

In the case of a number of addresses in a block with the same geographical reference, priority will be given to those nearest to the main entrance of the block.

1. Looked after children and children who were previously looked after but immediately after being looked after became subject to adoption, a child arrangements order, or special guardianship order.

Studio School or University Technical College (UTC) for September 2021

UTCs are set up by universities and businesses and specialise in one or two technical subjects. In years 10 and 11 they offer a similar GCSE curriculum to a typical secondary school, including English and Maths, as well as their specialist subject. You can find out more at www.utcolleges.org.

Studio Schools are similar to UTCs in that they have employer involvement in the curriculum and focus on developing skills needed for employees, involving personal coaching and work experience. They have a similar curriculum to a typical secondary school.

A list of all schools in the London area which admit pupils into Year 10, together with contact details, are listed below.

There are no UTCs or Studio Schools in Brent. If you have any questions please contact the UTC or Studio School you are interested in directly using the details provided. The full application process is set out on the website for each school.

Where a UTC or Studio School requires an application to be made via the local authority, these can be made in the same way, and use the same deadlines as for Year 7 applications, on the eadmissions.org.uk website.

Applicants with special educational needs and disabilities (SEND)

Brent Council’s policy is that children with SEND or Education, Health and Care plans (EHCP) should attend their local secondary school wherever possible. A small number of children who have an EHCP and the most complex needs attend a special school or special provision attached to a mainstream school. The Special Educational Needs Assessment Service (SENAS) will discuss this with parents of children with EHCPs and provide information regarding the most appropriate placements for individual children.

Transfer arrangements for children with an EHCP

The main admission criteria and application processes do not apply to children who have an EHCP. The council will apply for places on behalf of all such children. An annual review of the EHCP will be held before the end of the summer term in Year 5. Discussion will take place at the review between parents, school staff and other professionals about appropriate arrangements for secondary transfer. Parents should note there is no automatic right for any pupil to receive assistance with transport, and should consider carefully how their child would get to school if they do not express a preference for a local school. For further information please contact Brent Council’s Special Educational Needs Assessment Service (SENAS).
Tel: 020 8937 3229
Email: sen.assessments@brent.gov.uk

Admission arrangements for children without an EHCP

Children who have SEND but do not have an EHCP will transfer to secondary school through the coordinated admission procedures. The Code of Practice on School Admissions states: ‘Children with SEND but without an
Education, Health and Care plan must be treated as fairly as other applicants. Admission authorities may not refuse to admit a pupil because they consider themselves unable to cater for his or her SEND. Admission authorities must consider applications from children who have SEND but no EHCP, on the basis of the school's published admissions criteria. All mainstream schools receive funding to provide extra help for children with SEND.

**Home to school travel**
In London, travel is free* on buses for children up to 18 years of age. Where it is possible for a child to travel to school free of charge the council would expect that option to be taken. However, where a journey is considered too long (more than 75 minutes by bus) or too complicated (more than two changes) to be undertaken by bus, the council will provide assistance with tube or train fares for low income families in the circumstances as follows:

- For children of primary age, transport will only be provided to the nearest suitable school, but for those from low income families aged 8-11, local authorities must ensure that free transport is provided for children living more than two miles from the school.
- For children of secondary age, local authorities must ensure that those from low income families have free transport to any one of the three nearest suitable schools where the distance travelled is between two and six miles. Local authorities must also ensure that transport is provided to the nearest school preferred on the grounds of religion or belief where this is between two and 15 miles away.

Low income families are those whose children are entitled to free school meals or who are in receipt of their maximum level of Working Tax Credit. The council will consider all applications submitted. Application forms are available from Brent Customer Services, Brent Civic Centre, Engineers Way, Wembley HA9 0FJ or by telephone 020 8937 3110.

* This provision is currently under review by TfL. This section will be updated with any policy changes.
If a claim for travel expenses is agreed, Brent Council may make payment in full or in part of reasonable travelling expenses, and may provide other travel arrangements if required, for example escorts.

**Free school meals/ Pupil Premium**

If your child attends a Brent school and you are in receipt of one of the following benefits or NASS support, you are eligible to apply for free school meals for your children:

- **Universal Credit** (provided you have an annual net earned income of no more than £7,400, as assessed by earnings from up to three of your most recent assessment periods)
- **Income Support**
- **Income-based Jobseeker’s Allowance**
- **Income-related Employment and Support Allowance**
- **Support under Part VI of the Immigration and Asylum Act 1999**
- **The guarantee element of Pension Credit**
- **Child Tax Credit** (provided you’re not also entitled to Working Tax Credit and have an annual gross income of no more than £16,190)
- **Working Tax Credit run-on** – paid for four weeks after you stop qualifying for Working Tax Credit

Children who receive a qualifying benefit in their own right are also allowed to receive free school meals. Children under the compulsory school age who are in full time education may also be entitled to receive free school meals. When you apply you must provide your national insurance (NI) or NASS number and date of birth in order for us to check your eligibility with the Department of Education, Eligibility Check Service (DfE ECS). Application forms are available from Brent School Admissions Service on 020 8937 3110 or visit: Brent Civic Centre, Engineers Way, Wembley HA9 0FJ

**Private fostering**

- If a child or young person under the age of 16 (or 18 if they have a disability) is living with someone other than a close family member*, this is known as a private fostering arrangement. (*A close family member is a grandparent, aunt or uncle, sibling or step-parent either by blood or marriage).

- There is a duty on parents and carers entering into private fostering arrangements to notify the council. This is in order to safeguard and protect the child’s welfare as well as ensuring that the child, carer and parent are receiving appropriate support and help.

- If you know or suspect that a child is being cared for in a private fostering arrangement, please call the Brent Fostering team on 020 8937 4538 or visit www.brent.gov.uk/privatefostering to make a referral.

**Data Protection**

Information parents provide when applying for a school place will be used for registered purposes under the Data Protection Act 2019 and the General Data Protection Regulation and will be entered on a secure computerised database. The information is protected by the Data Protection Act 2019 and the General Data Protection Regulation, which ensures the information can only be used for defined purposes and can only be passed to specific people.

The defined purposes are:

- Administering the admissions process as set out in the Admissions Guidance 2021 online booklet relevant to my application.
- Preventing fraud or criminal offence or to ensure the safety of any child.
- To ensure the council fulfils its statutory obligation to provide every child within the area with a suitable school place.

The people who may receive the information are:

- The current school (if any).
- The school to which the pupil is to be admitted.
- Other admission authorities so as to ensure that parents have provided consistent information and do not hold on to more than one offer of a place.
- Any organisation legitimately investigating allegations of fraud, criminal offences or child protection.
The information above is a summary of the admissions criteria for this school. For the full criteria and admission arrangements please check the school’s website or go to www.brent.gov.uk/services-for-residents/education-and-schools/information-about-admissions/admissions-criteria.

The criteria will apply after children with an Education, Health and Care plan which names the school have been admitted. All schools operate a tie breaker in the event that two or more children have equal priority under the criteria.
