

Inspector Note to Wembley Quintain Estates & Developments PLC

Firstly I would to thank you for your submitted representations. In addition I confirm that the examination is concerned with the soundness of the plan, rather than detailed representations.

The hearing sessions are now confirmed for **Monday 3rd March 2014 – Wednesday 5th March 2014 inclusive. Starting time for Monday 3rd March 2014 will be 14.00 hrs and for the remaining days 10.00 hrs as per enclosed Draft Programme. The venue will be Brent Civic Centre, Engineers Way, Wembley, HA9 0FJ.** Signs will direct you to the actual hearing room.

The purpose of this note is to ask you whether the Council's published minor and focussed changes and the further changes included in the Statement of Common Ground address the representations which you made, and whether you wish to exercise your right to be heard at the hearing sessions or whether you are content to rely on your written representations. I also ask you to indicate which of the matters on which you have sought changes to the AAP you wish to be heard. Please confirm your intentions to the Programme Officer Mr Chris Banks at bankssolutionsuk@gmail.com

In addition bearing in mind your Statement of Common Ground with the Council it would be very helpful to have a schedule of the remaining matters on which you are seeking a change.

As confirmed above the hearing sessions will be concerned with the soundness of the plan, and I shall be concerned with matters and issues which go the heart of its soundness and any modifications which may be necessary to make it sound.

Christine Newmarch
Inspector
February 3rd 2014
