

Wembley Area Action Plan

Change Proposed by Brent Council

Issue 14: Contributions towards Urban Greening (Policy WEM 32):

It is proposed that text be amended in policy WEM 32, Urban Greening, as follows:

Development proposals ~~should~~ must incorporate urban greening measures such as green roofs, green walls, trees and soft landscaping. Wherever possible, opportunities to connect new green spaces to existing green spaces should be maximised to help create green infrastructure. Where site constraints limit the level of urban greening that can be provided on site, a financial contribution ~~will~~ may be required. Local food growing facilities will be supported as stated in ~~(see policy WEM 38~~ 36 in the Open Space chapter).
